What is Meetup?

Did you know RPTC runs a Meetup group? A what?

Meetup is an online social networking portal that facilitates offline group meetings in various localities around the world. Meetup allows members to find and join groups unified by a common interest, such as politics, books, games, movies, health, pets, careers or hobbies.

RPTC 's Meetup group is called Social Tennis Melbourne and currently has **700 online members** ... At the moment meetup runs on Tuesday and Thursday mornings at RPTC from 9am until finished and provides players for the Wednesday night Social Drop in Competition. Players are generally intermediate in level. Any RPTC member can join in for a hit. Just sign up to Meetup (free) and indicate the day your wanting to play.
